Emily Siira gave the Water Plan update. She spoke of a visitor to her office who brought in a child's snorkel with Zebra Mussels attached. She stressed the need to educate the public on Zebra Mussels. She continues to work on grants. Emily gave a presentation in recognition of the water monitor volunteers. She presented certificates of appreciation to those volunteers who were present.

Dave Rush was not present.

Bonnie Huettl reported the following on behalf of Douglas County. The restrictions on Brophy and Cowdry, Stony, Taylor, Union have been lifted. It is now a petty misdemeanor to cross the buoys. It was suggested that the DCLA agenda be published in the Echo Press.

We will do the Day at the Lake event this year. Jerry Haggemiller will head a Committee. We need to organize a Day at the Lake Committee.

Carol Patterson Smith updated the group on the Lake Brophy situation. There are now no restrictions on flow. They are looking for some financial help. Any contributions can be sent to Carol marked appeal process.

Karen Cook suggested that we need to provide more aid and support to new members.

Bonnie Huettl spoke of the DNR grant. \$4800 is the maximum we can get back.

Bonnie informed the group that this meeting room is needed by the county in December. We will have to be done by 5:30.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Dorothy Klemann  
Executive Secretary
